The Dimmer View

BY MAX GOODWIN

Reference is made from time to time of the "overwhelming defeat suffered by proponents of incorporation when the first election was held in January 1955.

Just for the record the vote was 2,180 against; 1607 for. The difference between the two sides is 573 votes. Hardly overwhelming.

Practically every parent will recognize the enormity of a note, written by hand, stuffed in our mailbox, addressed to our four-year-old daughter Lisa.

It read, "You are under arest in the name of scootlen yards for jumping on the dompert."

We are not worrying too much right now since those dauntless detectives forgot to sign it.

Local Attorney Earl Smart, who up to now seems to have the inside track on the bid for municipal judge assigned to the El Cajon Municipal Court, if and when Governor G. Knight makes the appointment, sent us a communication that should be scares the heck out of those of us who dream of winning a lot of loot on a television contest.

Whatever you win, or whomever you give your largess to, the obligation to the Internal Revenue Department must be settled by you. Example: Fellow appeared on one of those big give-away programs, and, according to Smart, he insisted that should he win, the money would go directly to a charity which he named. As Dame Fortune is prone in her perversity, the guy won and the money was paid directly to the charitable institution. The IRS demanded, and collected the income tax.

They ruled that he participated in the program as an individual, not as an agent of the charity, ergo, the individual, and not the charity had won the money and that he had the right to receive it. The mere fact that he had directed the prize to be paid to charity before he won the money did not relieve him from taxation.

There is a note at the end of the communication which Attorney Smart penned which I won't repeat in detail, but it has "dictators" and lack of respect for IRS" and the like to sharpen up an already pointed, but hardly believable IRS decision.

Tax Cut Story Cut

A "pied" line appeared in the Lemon Grove Sanitation District tax story last week. It cut an important part of the story and made it appear the tax rate was to be reduced from 79 cents to 13 cents per $100 of assessed valuation.

Actually it will be reduced from 23 cent to 13 cents.

In Spring Valley, where the cost of a sewer plant is part of the tax cost, a reduction from 70 cents to 50 cents is foreseen by Supervisor David Bird in whose jurisdiction both sanitation districts are.

More assessed valuation is the reason for the reduction, Bird said.

40 Lane Bowlero Starts Here

Scott Adds $500 For Fund Drive

George Scott, Lemon Grove chamber of commerce director and developer of College Grove shopping center "sweetened the pot" by another $500 last week in the chamber's project of bringing incorporation to an election. He said the funds could be used either as an incentive in the money raising program being undertaken by the Lemon Grove ministerial group, or go to meet expenses of the campaign.

Scott has already contributed approximately $4,000 to the fund. He offered, at the start of the campaign, to put up $1 for every $2 raised by the group. The contribution last week was in addition to his one to two commitment.

Scott reiterated his position at the chamber board meeting Thursday. "I have become convinced by every study I can find that shopping centers do better when they are adjacent to strong communities. Incorporation will strengthen the community. My assistance is simply good business, he said.

Local ministers, under Rev. Bob Rochelle, pastor of the Lemon Grove Southern Baptist church, will attempt through their congregations, to sell more than 5,000 plastic keys to the city at $1 each beginning next week. The keys, about 12 inches long, will carry the Lemon Grove legend and will have a thermometer built into them.

The success of this facet of the campaign will eliminate any further need for fund raising, Bob Vaught and Jim Spears, co-chairmen of the finance committee, said.

Captain H. E. LeBarron and Mrs. Louella Fellows, co-chairmen of the committee of 1,000 for incorporation, said "the church community's taking over of the final fund-raising project is a tremendous aid and inspiration to the committee."

The committee said they would begin distributing information on city make-up costs when and if they were assured by the supervisors that an election will be called.

'Treasure' Goes This Week

The first opening of the "Treasure Chest," which has been filled with $600 dollars to date, will be this week on Thursday at 3 p.m. in the plaza at Lemon Grove.

Since mid-July, 60 local business firms have been distributing coupons, one or more of which will hold the key to the treasure. The promotion is put on at no cost to the public.

In another part of the newspaper is an advertisement listing some of the participants.

MILLION DOLLAR BOWLERO — Jack Skirball, co-owner of the new Bowlero, the ground for which was broken Monday in Lemon Grove, is shown being congratulated by Jim Spears, representative of the Lemon Grove chamber of commerce. In the background are Beny Young junior and senior. The former is general manager of San Diego Bowleros. His father is executive director of the organization.

A $1,300,000 bowling center project for Lemon Grove was launched Monday afternoon when ground was broken on an 11-acre site at College avenue and Broadway for the new 40-lane College Grove Bowlero.

Lemon Grove, La Mesa and San Diego officials participated in the first step of the area's largest recreational development.

Jack H. Skirball, president of the Bowlero organization, announced that the modern bowling center would be ready on or before July 1, 1959. Although 40 lanes will be opened at that time, the project calls for an ultimate 56 lanes with 16 additional ones being readied by 1960.

The Lemon Grove site was selected by the Bowlero group after an extensive study of the San Diego county area. The first Bowlero was opened in Mission Valley last October with 56 lanes and is the largest bowling center in the West.

The College Grove Bowlero will feature the latest in bowling equipment. It is being designed as a family recreation center and will include such facilities as a free day nursery, restaurant and snack bar and league room. The Bowlero group's developments were highlighted in a Life magazine article early this year pointing up the new family approach to the 10 pin sport.

Beny Young, Jr., Bowlero's general manager, said that the new center would develop special programs for women and youngsters.

"Bowling no longer is a recreation for men only," he declared. "We want to work with all youth and women's groups in the area to develop wholesome family-type recreational facilities. I hope the people of Lemon Grove will be as happy to have us as we will be in becoming part of this fine community."

The site which will be occupied by Bowlero represents a major face-lifting improvement for the area. The modern building, designed by the architectural firm of Paderwski and Mitchell, will improve a property that has various times in the recent past been occupied by an auction mart, light manufacturing and a trailer park. It is separated by the new freeway from the major College Grove Shopping Center.

Local Hospital Wins Recognition

Grossmont hospital's Women Auxiliary has been awarded an honorable mention in the ninth annual contest for hospital auxiliaries, sponsored by the American Hospital Association., Mrs. Von N. Marshall, president, announced this week.

The award will be presented at a hospital auxiliaries luncheon August 20 in Chicago. Mrs. Marshall will accept the award during the 60th annual meeting of the American Hospital Association.

Grossmont Hospital's entry outlined a four point program involving provisional training and junior auxiliary membership, student hospital tours, vocational nursing classes and "pink lady" careers.

LG Man Has Perfect 52-Year Driving Record

A Lemon Grove man holds a record few people can match. I. H. Cass of 8265 Adams street, has been motorist for 52 years with out a traffic citation of any kind.

Cass, a Lemon Grove resident for 22 years and now retired, still drives nearly every day and takes infrequent short trips. He has driven around the United States twice and into Canada.

When Cass started driving gasoline was 2½ cents a gallon. That was in 1907-08 when he was tearing up the countryside with an eight cylinder Appersen Jack Rabbit and a two cylinder 1907 Oldsmobile.

During his half century of motoring Cass has owned 17 autos and has only one rule-of-thumb. His creed is "when on the road give everyone all the room they want."

Cass has three children, all in the Lemon Grove area. They are Eleanore Deninger, Leo Victor Cass and Myrtle Jenkins.

Pony League All-Stars Eliminated From Tourney

The Lemon Grove-Spring Valley Pony League All Stars were eliminated Sunday in the regional playoffs held at Mt. Miguel Field in La Mesa. A strong Glendora nine knocked them out of the championship race by a score of 17-0. The locals were defeated Saturday by Hawaii by a score of 6-3.

The Lemon Grove-Spring Valley All Stars last week captured the District 1 championship when they defeated the Ocean Beach All Stars 3-1, moving them into this week's tourney. Eleven western states and Hawaii are represented in the regional tournament. Play will continue through Thursday and extend through Friday if a playoff is required.

Jackets for the local All-Stars were purchased by Lemon Grove and Spring Valley merchants. New jackets were needed by the boys because they were representing all of the San Diego area in the tournaments. Merchants contributing money for the jackets were: Williams Department Store, Optimists, who donated the largest amount; Lemon Grove Florist, K. A. Barwick, C. P. Appliance, Lemon Grove Texaco, Jenkins Barber Shop, Shopping Center, Shopping Center Meat Department, San Diego Glass and Paint, Broadway Auto Supply, Broadway Market, Broadway X Cafe, Sportsman Club Cafe, Spin Inn Cafe, Pals Cafe, Lemon Grove Bakery, Silver Store, Lemon Grove Laundry, Harbor Furniture, Walter's Jewelry, Brumley Shoe Store, Ernie's Market.

Also Lemon Grove Pet Shop, Al's Lemon Grove Liquor Store, Streamline Plumbing, Waddington Topsoil, Mary Monroe Children's Store, Dr. Nichols, optometrist, Spring Valley-Casa de Oro, Spring Valley Shell Service, Spring Valley Cafe, S and M Sporting Goods, Schmit's Liquor, Nina Ray Real Estate, Stan's Market, Casa Drug, Andy's Ranch Market, Bobby's Union Service, Art's Lumber and Ugo's Barber Shop. Art Berry of Lemon Grove Sporting Goods, sold the jackets at cost.

New Hospital Planned For East Area

Construction of a new hospital to help relieve the shortage of hospital beds in the county area will begin in October on a recently acquired site at Greenfield and Highway 80 in El Cajon.

The new $500,000 facility, planned to serve 60 beds, will be built by a group of area doctors. The building is being designed by Richard George Wheeler & Associates, architect, and will be erected by Trepte Construction Company. Completion of the hospital is scheduled for next year.

El Cajon was selected as the site for the hospital because of its central location ,and because it would be conveniently available to, Lemon Grove, Spring Valley, La Mesa, Lakeside, Santee, Bostonia, Alpine and other east county areas.

In addition to regular patient care, the hospital will serve near highly traveled Highway 80, and will be easily accessible for emergency care.

Education Job Protest Drafted By Tax Group

A letter of protest has been drafted by the Mountain Valley Taxpayers Association, Inc., to the uggestion that the State Superintendent of Schools be appointed by the State Board of Education instead of elected by the voters. The action was taken by the Association at a meeting Aug. 1 because of a statement made by the present State Superintendent of Schools Roy Simpson. Simpson has indicated he plans to discuss the matter with the State Assembly Committee which is meeting this Thursday and Friday.

In the letter directed to Assemblyman Don Doyle, Roy Martin, secretary for the taxpayers association, said:

Dear Mr. Doyle:

"Our association has directed me to write you regarding the new plan proposed by State Superintendent Roy Simpson, to have

'Override' School Tax of 75c Asked

The Lemon Grove elementary school district board of trustees passed a resolution Monday night instructing the county school superintendent to do whatever is necessary to bring about a 75 cent "override" election on October 7.

For the past eight years the district has been carrying a 50 cents per $100 assessed valuation rate over the legal maximum for school operation. The maximum is 90 cents. This year it is $1.40. The new rate, if the election is successful, will be charged after July 1, 1959, according to Paul Reylolds, district business manager.

For bond retirement there is a maximum rate of $1.40 but only $1.28 of this has been invoked for this year.

The election is called for the same date tentatively set by the proponents of incorporation. Specific date on this issue will be announced by the county board of supervisors following a public exclusion hearing set for August 26.

County counsel has opined that school district elections shouldn't be held with other elections because school district boundaries are seldom used as boundaries for other elections. He said that it is possible the district would cancel the election and reschedule it later should the board of supervisors make good the same date for the election on incorporation. Notice must be filed 60 days ahead of the election for the "override" Reynolds pointed out.

School Sites Money Approved By State

Approval of the appeal of the La Mesa-Spring Valley School District for $500,000 to acquire seven new school sites and an additional parcel at the La Mesa Dale School was given last week by the State Allocation Board and the Department of Finance in Sacramento, according to Dr. Ted Dixon, associate superintendent of the school district. Dr. Dixon returned from Sacramento last week.

Dr. Dixon pointed out that since the last bond election of the district, held March 20, 1956, the district has built 69 classrooms, five kindergartens, four school office units and two multi-purpose rooms; acquired seven new elementary school sites and one junior high site and purchased all furniture and equipment for all projects.

However, Dr. Dixon points out, all local and state money in the district is exhausted, and no more will be available until after the bond election October 14. In the event of the bonds passing, there will be no extra tax rate on the taxpayers, Dr. Dixon said.

C of C Requests Four-Lane Road

The Casa de Oro chamber of commerce, at a July 7 meeting passed a resolution to send a letter to State Highway engineer Jake Dekema requesting immediate action to widen Campo road from Palm avenue to Avocado boulevard, to four lanes. Copies of the letter will be sent to Assemblymen Sheridan Hegland and Jack Schrade.

Mary Jeffers, who represented the Casa de Oro chamber of commerce at the low level highway meeting August 5, reported to the group on that meeting. No action was taken but there is a committee which will keep in touch with the developments of the low level question.

The next membership meeting of the chamber of commerce will be held September 4 at the Ranch Pantry Cafe in Casa de Oro.

3-Day Fire 'Out' Mon.

A three day east El Cajon brush fire was declared officially "out" Monday night by James Fenlon, state forest ranger, after 920 acres of land had been scorched.

No one was injured. Property damage was an unused barn and two hives of bees.

Fire started Saturday around the backyard incinerator at the home of James Hegarty, an employe of this newspaper, who lives at Rt. 2, Box 676, El Cajon. Mrs. Hegarty had been burning trash in the incinerator barrel and turned her attention to other household chores. The fire spread from the barrel and raced to adjoining hills before she was aware of it.

More than 150 firefighters under the direction of the Division of Forestry succeeded in keeping damage to a minimum. 20 fire trucks and three bulldozers were used.

Rangers said an investigation is under way to determine whether or not a citation would be issued under county ordinance and state fire law.

The division said firefighting crews had difficulty in getting to some parts of the burning area because of motorists who jammed Highway 80 to see the fire.

Two chemical carrying fire fighting planes given to the Division last week were not used in the El Cajon fire.

Buys Area Newspaper

Max Goodwin, publisher of the Lemon Grove Review and the Spring Valley Bulletin announced this week that he had purchased the assets of the Suburbanite, a weekly newspaper published in La Mesa but circulated in Encanto, Lemon Grove, Spring Valley as well as in La Mesa.

The newspaper will be published at the firm's plant on Lester avenue in Lemon Grove. The sale did not involve equipment nor personnel. Seller was James Hill, editor and publisher of the La Mesa Scout.

Parking Changed At LG Corner

The county road department ordered parallel parking along a 50-foot stretch in front of the Lemon Grove Shopping Center at the northwest corner of Main and Pacific streets.

Diagonal parking was permitted until last week. Change of parking use was the result of a complaint filed by the California Highway Patrol according to Ben Dobbins, assistant traffic engineer for the county.

A proper sign has been erected.

School District Receives Aid

The office of education at Washington, D. C. has certified $742.00 for immediate payment to the Jamul-Las Flores Union school district on Project Calif.-58-E-811, under Public Law 874, Senator William F. Knowland stated last week in Washington.

Variety Billed For 10-Day CV Fiesta

The 24th annual Fiesta de la Luna in Chula Vista September 12 thru 21 promises to be the largest yet of all these colorful pageant celebrations.

Activities start September 12, with a street dance and continue through ten days of activities from weight lifting to cake baking, climaxed by the big Fiesta parade Sunday afternoon, September 21.

Two athletic events have received official A. A. U. sanction and records established in the weight lifting on Saturday, September 13, and the swim meet on Sunday, September 14, will be recognized nationally. The weight lifting contest is the second largest on the west coast this year and is exceeded only by the long established event at "Muscle Beach" in Los Angeles.

The theme for this year's Fiesta is "Saddles to Satellites" which will give the float builders and costumed personnel a tremendous range, according to Dr. Ralph Schrock, general chairman.

Local Hospital Gets $1,334,502

Grossmont hospital today received a $1,334,502 grant from the state for construction of a proposed addition. The State Hospital Advisory Council of the state Health Department apportioned the funds. Of that amount the federal government allocated $667,251 with the state apportioning a similar amount.

The Grossmont hospital district will match the grants with another $667,251 needed to complete the addition.

The grants are made to all hospitals and public health centers in the state who apply for the state and federal funds on a priority basis. Grossmont hospital was third on the priority list, according to Louis Peelyan, Grossmont hospital administrator who attended the Advisory Hospital Council public hearings in San Francisco.

The Grossmont hospital's new addition will contain 123 beds with 12 recovery room beds and 10 observation beds. Plans for the new addition have been completed and construction is expected to get underway within 90 days.

The money was made available last week when President Eisenhower signed a bill for $186,000,000 to be distributed to states.

Lads Damage 147 Windows

Two Lemon Grove youngsters, aged 10 and 12, are undergoing a home cure for Silica Porti Shatteritus. Sheriff's deputies interpret that to read "broken windows."

The youngsters, who live in San Altos Terrace, zipped rocks through 147 windows in ten houses undergoing construction at San Altos at Massachusetts and Madera avenues.

Sheriff's deputy Sergeant Bob Ryan and officer Allison Wood received the complaint Sunday. By Tuesday the officers had their men. The culprits were placed in the custody of their parents.

The sheriff's department estimated the damage at $1,500.

Voters To Meet Top Candidates

A chance to meet and talk with Republican candidates will be offered area voters when a reception for the candidates will be held Thursday, August 21, from 3 to 5 p.m. at the La Mesa Woman's Club, 3rd and Lemon avenue in La Mesa.

Mrs. Clifford Mosier is in charge of refreshments. The reception follows the $100 a plate dinner to be held on August 20 so most of the candidates are expected to be on hand. Receving invitations are:

Governor Goodwin Knight, Senator William Knowland, Senator Fred Kraft, Lt. Governor Harold J. Powers, Frank Jordan, Robert C. Kirkwood, Robert McDavid, Ronald Button, Bob Wilson, James Utt, Pat Hillings, William Shearer, Jack Schrade, Mrs. Marge Acker and James Hervey, new chairman of the Republican Central Committee.

Church Group Slates Speaker

Rev. Joe Fox, D. D. will be featured speaker at the Lemon Grove Methodist Women's Society of Christian Service group's August 21 meeting. Progress in Ecuminesty is his topic. The meeting is open to the public.

Donations of sixty cents are asked for noon luncheon, which will be served at the church, 3205 Washington street. Rev. Fox will speak at 1 p.m.

Rev. Fox was born in Madagascar, where his parents were Quaker medical missionaries. Now retired, he has done mission work in Canada and the Pacific Northwest.

He headed the organization of the San Diego Community church and was pastor there for several years.

Rev. Fox is now active in the Quaker Friends Society and the Kirby-Smith Association, which specializes in church visitation and fund-raising campaigns.

For reservations, call HO 6-1845. Reservations will be closed Tuesday.

Charles J. Blum of 1723 Primera St., Lemon Grove, has been appointed head custodian at the new San Altos school which is expected to open in October. Blum is currently a custodian at San Miguel Elementary school.

Double sesions will be held at San Miguel Elementary school until the new school is completed, it has been announced. Blum is a former Navy serviceman and was employed as a deputy clerk in Municipal Court in San Diego until December of last year when he was appointed custodian at San Miguel school.

Rummage Sale Dates Given By CDA Group

Mrs. Charles Rodefer is general chairman of the Rummage Sale which is being conducted by Court Teresa of Avila, Catholic Daughters of America on August 21 from 9 a.m. to 5 p.m. The sale will be held in St. John of the Cross Auditorium, Imperial and Washington, Lemon Grove.

Mrs. Dennis Walsh of 7592 Church street is Pickup chairman. Anyone who has articles which may be sold may take them to her home or call HO 9-9205 and arrangements will be made for their pickup.

Mrs. Rodefer has announced that Mrs. John Korpita will act as co-chairman for the affair. Other committee chairmen are Mrs. Don Butterfield, pricing, Mrs. Ted Mayer, posters, and Mrs. Frank O'Connor, publicity.

The sale is open to the public.

Vote Registration Sites Announced

Deputy registrar of voters, Mrs. Ted Phillips has announced she will be at the following places to register voters, until September 11: Food King Market, Campo and Bancroft, Spring Valley, each Wednesday; U.S. National Bank, Lemon Grove, each Monday; and the Mayfair Market, Lemon Grove, each Thursday, Friday and Saturday.

Baptist Church To Add New Building Here

The Baptist Brotherhood of the Lemon Grove First Baptist church will begin excavation work immediately for an existing building to be placed on the vacant lot alongside the present sanctuary at Main and Barrell streets. The building will provide approximately 3,000 square feet of floor space. Accommodations for more than 300 persons will be available when the structure is in place.

Earl Dial, a member of the church, will serve as general superintendent of construction. About 80 per cent of the work will be done by the men of the church. Sunday, October 6, has been set as the date for occupancy when the church observes Annual Promotion Day in all church departments and organizations. Parking areas will be prepared for black topping in the near future.

Mrs. A. C. Donath, a returned missionary from Africa, who has been serving under the direction of the Foreign Missaon Board of the Southern Baptist convention, will speak Sunday evening at the local church. She will appear in a native African costume. The public is invited to hear her message and to attend the service which begins at 7:45 p.m.

Dr. D. M. Oates, a returned missionary from Lima, Peru, spoke at the church last Sunday and will conduct services frequently, acquainting our people of conditions in South America.

Dr. Oates, a San Diegan, will be in the area for the next ten months before returning to his mission station in Peru.

Hearing Called On County Off-Street Parking Ordinance

SAN DIEGO (CNS) — Despite their disappointment over lack of cooperation from county civic groups, Planning Commission members Friday voted to call a public hearing on a new ordinance to regulate off-street parking throughout the county.

Invitations to a conference on the ordinance were sent to all chambers of commerce, improvement associations and similar organizations, but representatives from only four groups turned up Friday to discuss the changes in the law.

Present were Jesse Hodge, Mrs. A. M. Lawrence and Edward D. Ames, from the Casa de Oro chamber of commerce; Frank Miller, Homeland Improvement Assn.; A. L. Hogan, Solana Beach chamber, and C. A. Welles and W. L. Weddell, from Rancho Santa Fe's Art Jury.

Dr. Willis H. Miller, Director of county planning, said San Diego county's parking problems are "as serious as anywhere in the country." He described San Diego as "a motorized county."

The hearing will be held in six to eight weeks, Miller said when the commission voted to get the public's reaction to the new proposals. These call for a schedule of of-street parking spaces for all new building, from single residences to factories.

All those present agreed that the law should be enacted.

Greek Boy 'Adopted' Here

A 12-year-old Greek boy has been financially adopted by a Lemon Grove resident, it was learned this week.

Miss Marjorie Jackson, 7931 Palm avenue, is contributing $15 a week to the support of Christos Holopoulos whose parents are refugees from Asia Minor. Miss Jackson "adopted" the child through the Foster Parents' plan, Inc. which has rehabilitated more than 76,000 children in all parts of the world.

Christo lives with his mother and father and sister Maria in a one room house with an earthen floor, no ceiling and no electricity or running water.

Miss Glorian C. Matthews, executive director of the Foster Parents' Plan, in announcing the adoption said, "We are indeed grateful to Miss Jackson for giving Christos this wonderful gift of hope and help and we prayfully hope that many others will also extend a helping hand to a distressed child. We shall be happy to send full information on how to become a Foster Parent to a child in Europe, Korea or Viet Nam to any individual, school or group writing to Foster Parents' Plan, 352 Fourth avenue, New York City." Miss Matthews added.

Foster Parent's Plan is a non-profit, non-propaganda, non-sectarian, independent, government approved relief organization which provides children who are orphaned, distressed, or otherwise made destitute.

MISS JACKIE MUNN was united in marriage Tuesday to Bobby Gene Cosper at the Lemon Grove Methodist Church. The new Mrs. Cosper is the daughter of Mr. and Mrs. George Munn, 6604 MacArthur Dr., Lemon Grove. The groom's parents are Mr. and Mrs. John Cosper, Quinton, Ala. The bride's maid of honor was Janice Munn, her sister, and Ruth Dilley was bridesmaid. Debbie Cox was flower girl. Best man was Ronnie Munn, brother of the bride. Joe Graham and Jerry Cameron were ushers. The bride and groom spent their honeymoon at Big Bear and Lake Arrowhead.

Area Gridsters Gird For Game

Lemon Grove-Spring Valley players who will be battling for starting berths with the All-San Diego county football team in the 10th annual Southern California college Prep Charity grid game August 27 in San Diego State college Aztec Bowl have been announced by coaches Roy Engle and Chick Embrey.

They are: Darrel Rathje, (end) of Mt. Miguel high school, 5 feet, 10½ inches, 175 pounds; Dennis Malhack, (tackle) of Helix high, 6 feet, 2 inches, 195 pounds; Richard Cook, (guard) of Mt. Miguel high, 6 feet, 180 pounds; Jim Osborne, (center) of Mt. Miguel high, 6 feet, 190 pounds; Bill Ernest of Helix high, (half-back) 5 feet 10½ inches 135 pounds.

The San Diego team will oppose the All-Los Angeles squad in the Breithard Athletic Foundation-sponsored classic. Both teams are to open pre-game practice Aug 18.

EDWIN VARLEYS HAVE GIRL

An eight pound, 12 ounce, baby girl was born last Thursday to Mr. and Mrs. Edwin Varley of 1661 Watwood road, Lemon Grove. The new arrival was named Anita Ellen.

'Y' Promotes Poirier, Bope

William C. Poirier will become General Secretary of the Anaheim YMCA on September 1, it was announced by Richard W. Wilson, county YMCA public relations chairman. Poirier has served as county YMCA general secretary since March, 1949. He is well known for his community leadership by youth and adults of Lemon Grove and Spring Valley.

Wilson stated that during the period of Poirier's service, youth club membership increased over 300 per cent and services extended throughout the county areas. During September 1957 the County Y shifted to a district organization including South Bay, Heartland, and North county districts. During the period since 1949 professional personnel increased from two to a present basis of five.

In receiving a Board of Director's resolution (July meeting) Poirier paid tribute to dedicated Y leaders, committeemen, and staff members for the association progress. Staff members and friends have planned a social event honoring him for next Thursday evening (August 21).

Poirier came to San Diego county after service with the Oakland YMCA following U.S. Naval service. He was a Milwaukee YMCA branch executive and served with the Detroit and Cincinnati YMCAs.

Succeeding Poirier will be Russell W. Bope, Assoiate General Secretary, currently serving as Heartland district secretary. Bope joined the County Y staff in September, 1955 after service with the Kern county and King county YMCAs. He is especially recognized for Y Indian Guide and day camp developments.

OES Slates Birthday Party

La Mesa chapter 300 Order of Easter Star will celebrate the birthday of Deputy Grand Matron Laura Crickmore, of district 95, Tuesday.

Celebration will be held at La Mesa Masonic Temple Tuesday at 8 p.m.

Margaret Martyn, worthy matron and Victor Martyn, worthy patron, will preside. Viola Stock is general chairman.

Hi School Contest Info Available

Entries for the 24th annual national high school essay contest, sponsored by the Ladies Auxiliary of the Veterans of Foreign Wars, are being accepted, it was announced last week.

Upper grade students enrolled in all public, private or parochial schools who are carrying a full prescribed course are eligible to compete for awards, an Auxiliary spokeswoman said. Only students in the 9th, 10th, 11th and 12th grades are eligible to compete.

Additional information may be had by writing to the Ladies Auxiliary of the Veterans of Foreign Wars, 406 West 34th St., Kansas City 11, Mo.

Children's Art Show Scheduled

Children's creative art will be exhibited Aug. 17 in the La Mesa Fine Arts Center, 8055 University avenue, by the Foothills Art Association. About 140 individual pictures, plus several murals, will be displayed by 70 children between the ages of seven and 14. They will be divided into three groupings, according to age, and first, second, third and fourth awards given in each group by popular vote method. The classes have met for eight weeks in the Girl's Cottage in La Mesa for instruction by Helen Goodall, Matilda Flores and Mary Robinette, assisted by Tary Kilcrease, Paulette Veal and Dolley Robinette.

Tea will be served between 1 and 5 p.m. to the public, by the instructors. The Gallery is open each Thursday from 1 to 4 p.m. and 1 to 5 p.m. each Saturday and Sunday. The children's show will remain through the balance of August.

Law Officers Insulted Says Brown

Attorney General Edmund G. (Pat) Brown, Democratic candidate for governor, this week accused Senator Knowland of "insulting the efficiency, ability, integrity and worth" of every law enforcement officer in the state.

At the same time, Brown blasted the Republican party for a "shameful and spineless exhibition" in dodging a stand on three ballot propositions at its convention in Sacramento last Saturday.

Brown spoke at a kickoff luncheon of the Los Angeles County Pat Brown for Governor Club in the Biltmore Ballroom. The club was organized to obtain funds from small contributors.

LETTERS TO THE EDITOR

Dear Editor:

The intention of this writing is to show what is meant by going to the polls and having our "SAY."

An article appeared in the San Diego Union a few days ago. The author was Assemblyman Sherridan Hegland of La Mesa. Not only were some of the remarks made by Mr. Hegland slanderous, are fine examples of the type of "thinking" of some of our public servants. The outstanding remark was as follows, "I would consider legislation which would allow trailers to remain in one place for the length of a vacation period only."

Now as a businessman, a long time property owner, and last but not least, a taxpayer, I feel that such remarks to be made by an elected member of any type of government, the deliberate discrimination against myself and thousands of other people, certainly is a ridiculous state of affairs. It so happens that at the present, I live in a beautiful Tri-Decker Mobile Coach, and I do so of my own choice. To be classed as "second rate citizens," is a pretty bitter pill to swallow. Recent surveys have shown that mobile home dwellers, pay, along with the court owners, an above average tax. This is a way of life that is here to stay; some of us love it. A great many of us are getting along in years, not to the extent of being feebel-minded however, and are still able to pay our share of the cost of maintaining government officials, and do so willingly.

Also, as long as we are able to go to the polls and have our say, you can rest assured we will keep informed and attempt to select our officials, those from whom we can expect no discrimination. Only by concentrated efforts on the part of everyone concerned, can we control efforts to propose legislation which is a threat to our very existence.

Last, but not least, we are all aware of the inadequacy of our roads and highways, to handle the present traffic imposed on them. Now what I cannot understand, is what kind of thinking is the idea of running out of these already busy highways, thousands of trailers, plus more thousands of Immense Mobile Homes, and keep them on the run. I believe this idea should take some sort of a grand prize. However, we must be always on the alert. Just such restrictions could be put in effect.

I certainly shall not attempt to tell anyone how to vote, but read such articles as this over and over several times.

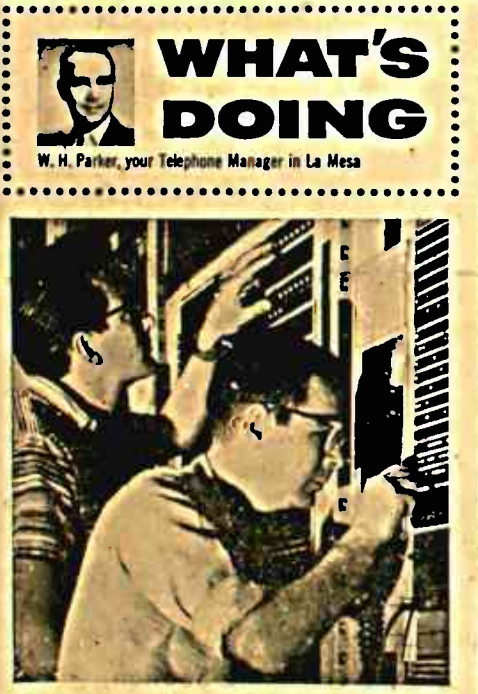
Relatives From Paris Visit Local Family

Mrs. Sarah Mehl, who owns and operates the Gift Box in Lemon Grove, has been enjoying a visit from her son, Max Mehl, his wife and their children, Alan, Jan, Paul and Joanne of Billings, Montana. The Mehls were accompanied by Mrs. Mehl's parents, Mr. and Mrs. Roger Vallette of Paris, France. They also spent some time with Mr. Mehl's sister, Mrs. Marie Overgaag and family in Spring Valley. The visitors left last Thursday for Bishop, Calif., to visit with other relatives before returning to Montana.



WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa

Over the years you've come to expect your phone calls to go through swiftly and smoothly. To keep your service dependable, we make sure our equipment's working well all along the line. And we've developed lots of ways to head off trouble before it starts. For instance, in the maintenance center above, a special line tester checks thousands of lines in just one hour. It lets us know if anything needs fixing. And this is just one of many testers, alarms and trouble-spotters that our people use. In town and out in the country, we guard your service at all times with watchful eyes.

OVER THE YEARS is a local topic too! Three of our business office people were honored at a recent luncheon for 30 years of combined service. In the picture above Jo Ann Boyer is receiving her pin and service card for 15 years service. Esther Hensley, center, marked 5 years and Reta Hulbert, left, ten. It's service minded experienced people like these plus electronic innovations like the one in the story above that combine to give you ever better telephone service.

PICTURE TALK
by Bob Vaught

A SUSPICIOUS LADY I KNOW

The woman marched into my shop. "I can't fight it any longer. I have to start using flash. And that means a bulky flashgun and a pocket full of batteries."

I had a secret weapon. "Have you seen the new Kodak Generator Flashholder?" I asked. "It's compact enough to fit in your pocketbook."

I handed her a Brownie Starflex with the new flashholder. "Hump. Probably uses batteries by the dozens."

"No Ma'am. Fact is you don't need any batteries! You just give that little wheel on the side a turn and the generator stores enough power to fire the bulb."

Bob Vaught

She cast a suspicious eye. "How do I know it'll fit my camera?"

"Kodak makes two types, and one or the other will fit most cameras on the market. Not only that, you can use all of the popular-size flashbulbs in it — M-2, No. 5, or No. 25. It's the most versatile flashholder you can buy."

She gave me another suspicious glance. "How much does this thing cost?"

"One costs $13.95, the other $14.95. And besides that . . ."

"Never mind," she interrupted me. "Wrap up the one I need. It looks easy to use, it's light and I can afford it. Just what I want!"

The case was closed on this sale. Kodak products can solve most photographic problems. And they're reasonably priced . . . the products, that is.

Our business is entertaining your children.

Many hundreds of South Bay parents, where we are best known, send or bring their children to us regularly. They have learned that Sweetwater Rink is clean and decent, carefully supervised and is a proper place for their children. They have learned that the downgraded rink of yesterday is gone and has been replaced with new and built to order ideas with buildings in proper locations and that roller-skating today is the largest participating sport in America. Did you know?

Our recently inaugurated FREE BUS service for you and for your children is available on Saturday and Sunday afternoons. A phone call will provide the schedule.

The greatest joy of youth is rink roller-skating.

Lutheran Vacation Bible School Ends

Vacation Bible school ends Friday for the Lemon Grove Lutheran church with a graduation ceremony.

The children will present a brief program consisting of excerpts from the course studied. The handcraft will be on display. Refreshments will be served during the social hour. Everyone is invited to attend.

Holy communion will be celebrated at both worship services on Sunday. Call the church office for information.

Christopher Lynn, son of Mr and Mrs. Darold Cypret, received the sacraments of Holy Baptism Sunday. Mr. and Mrs. Street were sponsors.

Mr. and Mrs. Virgil Duea and their daughter Lois are vacationing in Idaho. They are visiting their daughter and son-in-law, Mr. and Mrs. Terry Sudeston at Caldo.

The congregation and Sunday school will hold their annual picnic on Sunday afternoon, August 24 at Balboa park, 6th and Upas. All families are to bring their picnic lunches.

REFUGEE 'ADOPTED' — Miss Marjorie Jackson, 7931 Palm avenue has financially "adopted" Christos Holepoulos, whose parents are refugees from Asia Minor. Christos lives in Greece with his parents and sister Maria in a one room house with an earthen floor, no ceiling and no electricity or running water. Miss Jackson will contribute $15 a week toward support of the Greek boy through the Foster Parent's plan. Foster Parent's Plan, Inc., provides for care of children all over the world who are orphaned, distressed or otherwise made destitute. (Related story on page 3.)

of the Fiesta, which is once again being sponsored by the Junior Chamber of Commerce in Chula Vista.

Naturally there are queens — fourteen attractive candidates are vying to be chosen queen of the 1958 Fiesta de la Luna.

Wednesday, September 17, the exhibits, talent show, midway and rides are in operation in Eucalyptus Park and will continue through Sunday night.

A baton twirling contest has been growing in number of entries and in public interest, and 1958 promises to be a banner year.

The Kid's Day Parade is planned and this will be devoted to children's activities.

Pot Luck Set For OES Groups

Worthy Matrons of 23 chapters of Eastern Star organizations of San Diego county will entertain their Worthy Patrons and wives of the Worthy Patrons Sunday at 3 p.m. at the home of Mrs. James Yeo, 1727 Skyline drive. It will be a potluck.

Among those making up the group of representatives of chapters extending from Chula Vista to Fallbrook.

Mrs. Yeo is Worthy Matron of San Miguel chapter OES.

Education Job Protest Drafted By Tax Group

(Continued)

the office of State Superintendent of Education appointed by the State Board of Education instead of being elected by the people of the State.

"May I call attention to the fact that the State Board of Education is now appointed by the Governor, and if the State Superintendent is appointed by that State Board, then the Superintendent would have control of State colleges and the entire school system of the State on the primary, secondary and junior college levels.

"If the State Board and the State Superintendent were superhuman in their moral, intelectual and administrative abilities in the field of education, then such a benign dictatorship might seem to be desirable for our schools. However the odds in favor of such a utopian situation are remote indeed, as long as mortal man is appointed to these positions.

"We respectfully submit to your Committee that there is danger in taking powers away from the people and concentrating them in the hands of a few. This may well lead toward socialism, then dictatorship, and the surrender of personal freedom.

"We urge you to give due consideration in keeping the control of education in the hands of the people of the State of California.

Respectfully submitted,
Roy Martin, secretary,
Mountain Valley Taxpayers Ass'n, Inc."

Wiener Shortage Irks 'Indians'

The Ute tribe of the Cheyenne Nation of "Y" Indian Guides enjoyed a campout August 2 at Lower Otay Lake despite experiences with two tarantulas, a six foot rattle snake and an almost wienerless wiener roast.

The boys weren't nearly as angry with the tarantulas and the rattler (they disposed of them quickly) as they were when they discovered Walking Horse (Owen Downing), who was in charge of supplies, forgot to pack the hot dogs. Walking Horse was forced to trudge off to Bonita to fetch some.

But all in all, the campout was a successful one, what with fishing, card playing and cold watermelon eating. The boys broke camp early Sunday morning after a breakfast of bacon and eggs and returned to their respective tepees in time to accompany their squaws and little princesses to church services to pay tribute to the Great Spirit.

Those attending the campout were: Chief Sitting Bull, Harry Fairchild; Running Bull, Del Fair child; Big Bear, Kenny Tresser; Little Bear, Steve Tresser; Brother paleface, Greg Tresser; Red Fox, Lou Beauchamp; Swift Wind, Robin Beauchamp; Brother Paleface, Paul Beauchamp; Big Beaver, Benny Small; Little Beaver, Benjie Small; Walking Horse, Owen Downing; and Running Horse, Chuck Downing.

"ONE BODY"

The true church of Jesus Christ is one body. All who have come to faith in Jesus Christ from all churches constitute this body. The Holy Spirit knows who these are. We must enter the body, one by one upon the Spirit's call to repentance and faith.

LAND SALES DOWN HERE

Real estate sales in Lemon Grove and Spring Valley and La Mesa areas decreased during July compared to the same month last year, according to statistics in Trends, monthly real estate publication of Union Title Insurance Company. Trends shows 274 sales in the area, a decline from 474 recorded during July, 1957, but an increase from June's 237 sales.

Total real estate sales for San Diego county during July were 14.5 per cent below the same month last year, and for the year to date were 9.7 per cent below the same period last year.

Trends editor, real estate economist James C. Downs, Jr., cites three factors for declining sales. Housing needs are easier to satisfy without purchasing due to increased rentals now available, he said, and income properties are threatened with reduced earings due to increased vacancy and higher maintenance costs. Some buyers and speculators are unwilling to buy in spite of the drift teward further inflation, Downs added.

Toilet Fluids Can Create Deadly Chlorine Gas If Used Indiscriminately

An employe of an East San Diego sandwich shop last June attempted to clear a clogged toilet with a standard toilet fluid, reports the San Diego Health Department. Moments later she was aware of an unpleasant gas. As the day wore on she felt ill. She went to a hospital that night and was off work 19 days.

A representative of the manufacturer of the toilet fluid was called to to the shop. He demonstrated to the empoyer that the product could be safely used without liberating any gas.

The industrial hygiene chemist of the Health department was asked to make an investigation. The woman employe recalled she had used Purex in the toilet just before using the fluid.

The answer to the problem was this:

Thereare a number of bleaches in the Chloros-Purex group that are hypochlorites. There are a number of products manufactured to clear plugged plumbing, such as Sani-Flush and Drano, that contain hydrochloric acid. To the chemist, each group has a use—one to remove stains, the other to remove scaling in pipes. But no chemist would use them together. In combination they create chlorine. Inhaled, chlorine can have irritating effect on the mucous and pulmonary membrane, for which there is no antidote.

Former US President:

"You may callit recession, depresion, or whatever your political affiliations suit you best. But there it is — high cost of living, unemployment, business failures by the thousands."

Little Leaguers Slate Picnic

Families and friends of all Lemon Grove Little Leaguers will attend the Little League annual picnic Sunday at Picnic Lake Park in Potrero. Persons attending will bring their own lunch. A concession stand for soft drinks, etc. will be available on the picnic grounds. Admission is 50 cents with children under six admitted free.

The picnic grounds is reached by traveling along Highway 94 for approximately 34 miles and turning left at Potrero to the park.

A nominating committee was elected to select candidates for Little League offices for the coming year at the Little League monthly meeting last week. Names of the candidates will be presented for approval at the next regular meeting.

Drinkers Top Hiway Plague Says CHP

SACRAMENTO (Spcl)—Drivers under the influence of alcohol continue to present a problem on our highways says the California Highway Patrol.

"During the first five months of this year, drivers who had been drinking were involved in an average of one accident every 30 minutes on the rural highways of California," declared Patrol Commissioner B. R. Caldwell. "This includes those who were obviously drunk, those under the influence, and those who had been drinking although the degree of impairment was not known.

"Although a small reduction in accidents involving drinking drivers has been experienced thus far during 1958, the driver who drinks is too frequently involved in fatal and injury accidents which is a major concern to enforcement personnel," Caldwell stated. "In the enforcement field, the Patrol made 5,190 arrests for drunk driving during the first five months, an increase of 30, or 0.6 per cent compared to 1957.

"Frequently drivers take the wheel of a motor vehicle after a few drinks thinking they are capable of meeting any emergency. Investigation proves, however, that much of the driving while under the influence of alcohol can be attributed to a lack of realization of the hazards involved with such actions," he continued.

"When a situation arises calling for fast, accurate judgement and action to avoid an accident, the driver who has been drinking finds his reaction slowed to the point where he may be in trouble." The commissioner concluded, "The best and safest policy is to refrain from driving if you have been drinking."

Ye Gads! What Gadgets Won't They Think of Next

The lazy gardener has found a friend. Someone has invented a "toe hoe."

This is a small garden hoe to be attached to the shoe and it's guaranteed to take the squat, stoop and squint out of tilling the soil.

The inventor doesn't mention it, of course but one observer noted that if the device becomes popular, "tired toe" may become as great a national hazard as "tired blood."

A recent newspaper article proves that modern man still has unknown worlds to conquer — in the field of gadgetry. The "toe hoe was only one of a collection of 150 contrivances displayed at the recent Gadget Show in New York.

Purpose of the show was twofold: To help inventors attract prospective manufacturers for their "brain children," and to help manufacturers show their gadgets to buyers. One hundred inventors and 40 manufacturers were represented in the sometimes amusing, sometimes amazing array of items.

Interest ran high. Who, for instance, could resist such products as a 19-foot balloon which inflates with helium at the touch of a switch? It's recommended by its inventor, a lady from Detroit, for window washers, steeplejacks and nervous top-floor tenants who worry about getting out in case of fire.

Then there's a handy gadget for lazy painters — an electric brush which comes equipped with a reservoir of paint. Just hold on to the handle and the paint brush moves back and forth automatically.

A little less on the eerie side is a "safer" safety pin. It has a plastic locking device which makes it impossible to open by accident — a factor the "diaper set" will appreciate.

All of which is enough to make one resort to that old cliche, "What will they think of next?"

The U.S. Patent Office receives about 75,000 applications each year and issues about 45,000. Inventing gadgets can be an expensive hobby since the government charges $60 for a patent and patent lawyers often charge $300 or more for their services.

Gadgets are "out of the small peanuts stage," vows a spokesman for the Gadget manufacturers Association. He estimates that a billion dollars worth of gadgets were sold last year.

So if you need a better mousetrap, don't despair. Next year's Gadget Show will probably have one.

Approximately 80 members of the Ka Ki Ya Campfire district of Camp Fire Girls and Blue Birds have completed a beginners swimming course conducted at the La Mesa municipal pool and Carmen Ranch Club.

Forty SD Youth Plan 4-H Trip

San Diego county will send forty club members and leaders to attend the annual state 4-H convention. This will be held at the University of California, Davis, August 25-29.

A busy period of meetings, tours, demonstrations, talks, conferences, field trips, and a trip to the State Fair await those attending. Some 30 agricultural and home economics demonstrators on a wide variety of subjects will be given by University staff members for the club members.

The members will take part in several training sessions, while their leaders will meet to discuss leadership problems. The dress revue will determine a winner to represent the state at the Nation at 4-H Club Congress this fall.

On the recreational side, swimming and singing will form a regular part of the program. Reports of returned International Farm Youth Exchanges and Exchanges from other countries now in California will be a feature. The State Fair visit takes place on Wednesday, August 27.

A staff of University Agricultural Extension Farm and Home Advisors will guide the program.

Long Beach Bank Added To Firm By US National

M. N. Wilson, president of the United State National Bank, today announced acquisition of controlling interest in the Long Beach National Bank by a group of United States National Bank stockholders.

Wilson said facilities of the Long Beach bank, located at 3601 Atlantic Blvd., North Long Beach, and at 2170 Bellflower, Long Beach, were acquired to provide coverage in an increasingly important market area. He said it will bring to a total of eight United States National Bank branches in Los Angeles county.

Padres Take On Spokane Here

Colorful Bushy Bragan, former Cleveland manager, brings the Spokane Indians to Westgate Park Friday night, making his first appearance here since he led the Hollywood Stars against San Diego's Padres.

Spokane will remain through Sunday's doubleheader. The Padres took two out of three games from the Indians in Spokane last week before returning home to turn back Seattle in a twin bill, 4-2 and 4-3.

Salt Lake City and Vancouver will supply the Padres with opposition in their final week here August 18-24.

After being unable to play on the Padres' last road trip because of a sprained ankle suffered with Cleveland, Earl Averill will be back in action this week. That could provide the Padres with the sock they need to overtake Phoenix in the flag race.

This acquisition, when consolidated with the United States National Bank, will raise the number of banking offices through out Los Angeles, Orange and San Diego counties to 18, with combined assets of over 125 million dollars, Wilson said.

Former Miss LG Competing For Football Queen

Sharon Cassell, 18, of 1681 Colfax drive, Monterey Heights, is one of 16 candidates for queen of the 10th annual Southern California College Prep Charity football game August 27 in San Diego State's Aztec Bowl.

Miss Cassell, a former Miss Lemon Grove, is a June 1958 graduate of Mount Miguel High School.

The All-San Diego County team, composed of 1958 graduated seniors, will face the All-Los Angeles squad in the prep all-star tilt, sponsored by the Breitbard athletic foundation.

Judging in the all-star game queen contest will be conducted Monday, August 18, at San Diego Naval Training Center. Members of the two rival football teams will judge the contestants, who will appear in sweaters and skirts.

CURBS AND SIDEWALKS—County Supervisor Dave Bird receives 1911 Improvement petitions for curbs and sidewalks in Casa de Oro's fifty-acre business section from Gil Ray, chairman of the Civic Improvement committee for the Casa de Oro chamber of commerce while other officers, (L - R) Dorothy Benson, secretary; Eleanor Mc Junkins, treasurer and membership chairman; Nina Ray, industrial committee, and Harry Dale, vice-president smile approval in the background.

Road Improvement Urged By Tax Group

A decision to back the Highway 94 Club in its efforts to urge the State Department of Highways to improve Highway 94 for use as an alternate route to Imperial Highway was made Aug. 5 by an informal group of 30 citizens.

The group, meeting at the Spring Valley chamber of commerce hall, took the action after the State Department of Highways announced on Aug. 4 it plans to build a highway over the mountains to Imperial Valley.

John Abbott, Spring Valley realtor and member of the San Diego Industrial Development Association, speaking at the meeting in behalf of Russell Stowell, president of the Old Spanish Trail group, said, "We can't have too many roads coming into the San Diego area, and we still need a low-level highway to the East." He said he has no quarrel with progress, that a four-lane highway on 80 is important but that the Mountain Springs grade is a bad place for travel especially behind slow moving traffic.

SUPPORT NOW

Abbott said that the Highway 80 organization and others should now swing all their support to the Highway 94 group to get their route to the valley improved. He said the spending of millions of dollars on Highway 94 would be a big help to the communities and the metropolitan area. He commended the Highway 94 Club for its untiring efforts to get the highway put into shape. He said State officials should be urged to "get going," on the Highway 94 project immediately.

Bob McPherson, another member of the SD Industrial Development group, said we need good highways with low grades. He suggested that there be cooperation of the Old Spanish Trail group in getting Highway 94 improved.

Frank Green, president of the Highway 80 organization, told of the progress the Old Spanish Trail group had made in other states along Highway 80. He said there are three directors in each of the eight states and that the group is waiting for incorporation papers in Arizona. Russell Stowell of San Diego is president. Green said that the Highway 80 group has always cooperated with the Highway 94 group and will continue to do so.

WAR TARGET

Bill Doughman, past president of the Spring Valley chamber of commerce, said this area would be a major target in case of war and pointed out that Highway 80 has been designated as a military highway.

Eddie Leonard, president of the Highway 94 Club, said his group has always cooperated with the Highway 80 organization and that they are glad the 80 group got what it wanted. He said his group still feels another road to the valley is necessary. He pointed out that a million dollars would give 66 miles of good highway from the valley to San Diego. He said that the highest point on 94 is at High Pass where it is 3,660 feet. He said his group is interested in what a good road can do for other communities. He said there are now 30 organizations backing the Highway 94 Club and the club now boasts a membership of 400.

Bill Mockler, representing the Port of San Diego, told the group his organization is interested in a good route to the east which will help to develop the harbor of San Diego. He said they will do all they can to speed up such a project. They will back up the Highway 94 Club, he added.

Ralph Lackenbach of the State Highway Department, said he knows the Highway 94 group has a problem. He said the Highway Department will continue to build highways as long as the money is appropriated. He urged that interest be kept up among the different organizations to keep the highway program moving.

Charlotte Holcomb of the Highway 94 Club said, "We should look to the east and get support from Arizona and other states. We must all work together or we'll just be a terminus of Los Angeles."

Earl Smart of the Lemon Grove chamber of commerce, Mary Jeffers of the Casa de Oro chamber of commerce, and Syd Albertson of the San Diego Industrial Development Association, who is a new comer to the area, urged cooperation of organizations in the area in backing Highway 94 Club.

Mrs. Betty Seymour Robinson, secretary of the Spring Valley chamber of commerce, urged that letters be sent to state representatives in Sacramento, urging them to work on the project.

TERMINUS NEEDED

Charlie Blumenschein, also of San Diego Industrial Development Association said he has studied and knows the economic future of San Diego. He said that as long as San Diego remains a dead-head for a railroad company there will be no development. What we need, he pointed out, is a terminus for major railroads and a low level railroad to the east plus an alternate highway. He urged cooperation with the Highway 94 group.

He also suggested that a lobbyist be hired to represent this area in Sacramento. He said people of this area are too timid when it comes to asking for funds to build highways, etc. He urged that we ask for a billion dollars for highway developments in this area. He asked, "If San Francisco can ask for three billion dollars for the development of its urban area, why can't we ask for one billion?"

J. C. Danner, president of the Spring Valley chamber of commerce, was chairman at the meeting. Another meeting is being planned for September.

Competition Makes Wrecks Says CHP

SAN DIEGO (Spcl)—The elimination of competition on our streets and highways will reduce our traffic toll considerably says Captain R. Gautsche of the California Highway Patrol.

"Racing to get ahead of the other driver, grabbing the right-of-way, and cutting in and out of traffic are all unlawful, unsportsmanlike, and unsafe competitive actions in traffic. "Such actions account for a great number of the traffic accidents in this area."

"Cooperation in place of competition, obedience to the rules in place of unconcern over traffic laws, and courtesy to replace bullishness on our streets and highways are necessary for safety in traffic," the Captain stressed. "Such competition has no place on our highways; so make cooperation your traffic habit and keep safety your experience on the roadways of this area."

HAS DUAL CARBURATORS—This attractive miss is Judy Bamber who is five feet, five inches tall, weighs 112 pounds and measures 38-22-36 and is featured on a television program, "Anybody Can Play."

Oh, yes! The engine. it is made by some firm or other in Detroit and has pretty good horsepower and has dual four barrel carburetors, a fact you probably have already noticed by now.

IT WAS THIS BIG—A happy summer's memory will linger in the mind of nine year old Jeffery Lindeneau for many a year. This summer at Otay Lake, he did what many a youngster (or oldster, for that matter) has dreamed of . . . catching "one of the big ones." Jeffery snagged a 7 and one-half pound catfish, measuring two feet. Jeffery is the son of Mr. and Mrs. Glenn Lindeneau of 9022 Koonce drive, Spring Valley.

GLAMOROUS EVA GABOR, currently co-starring in M-G-M's musical "Gigi," feels that the new windblown "chemise" hairdos call for a gentle, non-drying shampoo, vigorous brushing and careful setting.

Service Awards For Hospital Employes

L. M. Peelyon, administrator of Grossmont hospital, and 47 other staff employees who are and have been associated with the hospital continuously will be honored at a ceremony at the hospital Friday, at 7:30 p.m.

Merit award pins will be presented by members of the hospital's board of directors. The Women's Auxiliary will be present to honor the staff members.

The ceremony will be part of a party for the hospital's 265 employes.

Although the number of Grossmont hospital employes has increased 50 per cent since the hospital opened its doors, 32 per cent of the inaugural staff are still on duty, representing all phases of the District hospital's administrative and medical services.

Members of the Board of Directors, will award achievement pins to these employes at a party for the entire hospital staff, which now numbers 265 employes. Directors of Grossmont hospital and of the Women's Auxiliary will be present to honor the staff members.

Peelyon has been with the hospital five years, joining it two years before it opened. The members to be honored have been in continuous service three years.

La Jolla Play In Final Week

"Visit To A Small Planet," Gore Vidal's zany comedy, is in its final week at the La Jolla Playhouse. The laugh-filled play stars Reginald Gardiner, Alan Reed and Les Tremayne.

"Visit to a Small Planet" is a tongue-in-cheek satire on present civilization, concerned principally with the visit of a personage from outer space and the effect of that visit on the core of our society. As the visitor, Reginald Gardiner has a great deal of fun fouling up such revered institutions as the Pentagon.

Others in the cast are Ann Daniels, Meg Wyllie, Burt Metcalfe, Michael Bradford, and Alan Cooke, who directed the production.

UF Drive Dates Listed

Campaign dates for the United Fund's annual countywide drive for more than 100 community services and agencies were announced by Clair W. Burgener, campaign chairman.

Burgener said the drive will open Sept 15, and is scheduled to wind up Oct. 29.

"By setting our sights on a definite date and compressing our efforts into six weeks, we are committed to waging an intensive campaign," Burgener said.

"A short, hard-hitting campaign was one of the decisions reached at the recent United Fund campaign conference," Burgener recalled.

He said that most everyone in the community—those who give and those who ask for pledges and contributions—want a successful and brief campaign. Burgener said the campaign leadership is lining up on schedule, and predicted:

"The United Fund will put an unusually strong campaign team in every division throughout the county this fall."

The drive will raise operating funds for nine community chests, the Red Cross, and other leading health and welfare organizations.

Mt. Helix Group Stages Picnic

The Mt. Helix Business and Profession club held a picnic at Eucalyptus park August 7. Special guests were the president of the Foothills Chapter of El Cajon, Mrs. Dorothy Lasser and two members, Mrs. Elizabeth Newton and Mrs. Dorothy Petty.

A charter party for the recently organized Mt. Helix Chapter is being planned for September 13, at Singing Hills country club. Those interested in joining the club, call the membership chairman Mrs. Alma Stockton at HO 6-0649.

HERE'S Cowl That's lovely Yvonne Combs, built into this bottle somehow by that tricky photographer at the California State Fair and Exposition. The glass of milk is to call attention to the dairy products on display at the Fair, which is scheduled this year August 27 - September 7 in Sacramento.

Admiral H. G. Rickover:
"Professional education in America is severly handicapped by the weakness of our public elementary and secondary education."

ESTELOS de ONTONO—"Fashions for Fall" in Spanish is the theme of the fashion show sponsored by the San Diego Lioness' Council. The affair will be one of the kick-off events of the Fiesta del Pacifico. Shown holding a fiesta banner are two area Lionesses. They are Mrs. C. Forrest Baxter, president of the San Diego Lioness Council, who lives in Lemon Grove at 2925 Buena Vista avenue, and Mrs. Fred Bowerfind, of Fletcher Hills, who is an officer of the E Cajon Lioness group and flower chairman of the show.
The show will be held at noon August 29 at the Caribbean room of the El Cortez Hotel. Proceeds from the $3.50 tickets will be used to aid visually handicapped persons of Tijuana and San Diego. Tickets may be obtained from any Lioness member.

Betting Drop Perils Fair Building Program

A drop in attendance and parimutuel wagering at the Del Mar Turf Club will affect the Southern California Exposition's 1959 building program, Manager Paul T. Mannen pointed out this week.

The Exposition receives a percentage of the track's handle and uses it primarily for capital improvements—such as the proposed new horse show arena slated for construction in January but which may now have to be delayed.

Mannen said the Exposition's income may be reduced by as much as $50,000. He explained that the Exposition's sole income from the state is $65,000—not sufficient to pay prize winning exhibitors which this year collected $93,033.50 in the 19 competitive divisions.

Other income is from frontgate admission, concession and exhibit rentals and rental of buildings and grounds during the interim. In 1957, the Exposition received approximately $335,000 as its share from Del Mar racing.

☆ Don't let smooth-talking salesmen talk you into signing a contract for siding or roofing on the promise that your home will be used for "demonstration" purposes and cash bonuses paid on all sales made from the showing, your San Diego Better Business Bureau warns.

☆ Carry a battery-powered emergency light, preferably a blinker, for emergency use at night, advises the automobile club of Southern California.

Reduced Rate 'Story' Tickets Still Available

Only a short time remains to obtain tickets at a reduced rate for "The California Story," Wayne Dalland, executive director of the Fiesta del Pacifico and producer of "The Story," said this week.

"The Story" will be presented in Westgate Park as the high light of the Fiesta, starting Aug. 30 and running through Sept. 9. The historical musical will be seen each night at 8:30 except on Sunday, Sept. 7.

Seats purchased now may be obtained for 50 cents less than the regular price which will be in effect on Aug. 30.

Tickets are on sale at the ticket office in the Spanish Village in Balboa Park and at the Palmer box office in the Theatre Music Company. Phone and mail orders are being accepted at both locations.

Dalland said there will be parking accommodations for 4,000 automobiles, including the additional 1,000 spaces which the Fiesta management has arranged with nearby property owners. A new entrance to the parking areas will be available by using the front age road of the Town and Country Hotel off U.S. 80 and following this east to the filling station and then left into the parking area.

Church To Stage Ice Cream Fiesta

The annual Ice Cream Fiesta of St. Philip's Episcopal church will be held Saturday in the church patio from 6 to 9 p.m.

Mrs. Betty Seymour Robinson, assisted by Mrs. Charles Foster, Mrs. F. J. Attaway and Mrs. Irving Van Horn, will present a program with a fiesta theme. Taking part in the program are: Spanish dancer, Pamela Melvernek; Melinda Conrey, accordion; Timothy Attaway, Miss Lydia Gomez, guitarist, James Parmler, Spanish singer, Senorita X; San City Quartet, leader, Mrs. W. E. Stracke; xylophone, Mr. Chester Smith; balloon and candy girls, Karen Attaway, Sandra Taylor; Mrs. John Emrick is chairman for the event. She is assisted by Mr. Jack Gowin, Mr. Irving Van Horn, Mr. Robert Nichols, and John Emerick. Mrs. Robert Nichols, Mrs. Cora Lee Anderson and Mrs. Jessie Nutter are chairmen in charge of refreshments. Mrs. Elizabeth Ridenour, is president of St. Philip's Woman's Assembly.

The event is open to the public.
